U.O.No.1675/CT.I/2015 of Revenue (CT.I) Department, dated.11-02-2015.

ORDER:

In the reference read above, the Revenue Department has informed that it is imperative to plug leakages to augment resources to meet the welfare and developmental obligations of Government. Presently the revenue earning departments namely Commercial Taxes, Excise, Registration and Stamps and Transport Department contribute majority of the State's Own Tax Revenue (SOTR). Other minor sources include royalty on minerals, land tax and tax on forest produce. While these departments have their respective standard operating procedures (SOPs) to garner revenues, there is near absence of interface between these departments and Finance Department. Each of these departments operate in silos despite these being a degree of complementarily nature of work between them. The linkages between the revenue earning departments should be recognised and established for preventing leakages and optimising revenues.

2. Therefore, there is an imperative need to evolve an approach to combat the problem of leakage by forging links between Revenue Earning departments in an institutionalised manner. The approach shall necessarily be convergent in nature and should serve the ends of revenue optimisation without making it cumbersome for the tax payer to comply with the existing law (s). The following measures shall be taken to achieve the objective.

1. A new body be named as Revenue Coordination Committee (RECCE) and shall be constituted to look after the following business.
  - (i) Exchange information periodically (atleast once in quarter) relating to firms/licensees etc.
  - (ii) Exchange details of cases of default / evasion of tax liability for further action by the Department concerned.
  - (iii) Recommend changes in law/procedure and
  - (iv) Measure (s) that shall improve the potential to tap revenue from existing source and identify new source and
  - (v) Such other measures that shall create synergy for prevention of leakage and optimize revenue.

3. Government after careful examination of the above proposal of the Revenue Department hereby constitute a Revenue Coordination Committee (RECCE) with the following members.

1. Chief Secretary - Chairman
2. Principal Secretary to Govt., Revenue (CT & Excise) Dept. - Member
3. Principal Secretary to Govt.,

8. Secretary to Govt., TR&B (Transport) Dept. - Member
